“Photo Message” for 21 March

On 15 March the volunteers of FORUM 16 started the activity “Photo Message” to call attention to the International Day for the Elimination of Racial Discrimination on 21 March. The volunteers stopped different people in the community and briefly shared information about what happens on this day. They asked to take photos of them to accompany a message of respect and support. The follow up activity for sharing the photos messages continued until 25 March, the end of the European Action Week Against Racism. For more information about March 21 read [here](#), and see the photos [here](#).

Supporting the action “NO ONE hungry”

On April 4, the Centre for European Development and Integration organized an action to collect non-perishable food, which was given to eight socially vulnerable families just before the Easter holidays. FORUM 16 volunteers joined with local organizations SFERA, Red Cross, and Slow Food Macedonia in supporting this action. The support of this action is in line with the FORUM 16 mission, which is to motivate the inclusion of citizens in current programs, projects and activities. We hope that we have encouraged citizens to donate and help their fellow citizens and that this practice will continue in the future.
